Levi Bombard has moved away and is no longer on the Planning board. Rumor has it that Jim Carmelitano is resigning, George Buck, works for him, will check on what his plans are. Planning board will need a chair person to replace Levi. Town will advertise for new members and make the decision on July 25 work session.

The Town did get the permit from the A.P.A. to clean out the fragmites from the beach area.

There was a pre-construction meeting today on the dam and they asked if Bill could put that gate in, the gate is a large piece of steel and will replace the rotting logs on the West side of the river. They are anxious to get started on their project. The big draw down to nothing will be next month. They are going to focus first on the gate side then move their equipment to the other side in back of the Library. Their project will not be totally finished till Spring.

Led Street Lights. Supervisor had heard absolutely nothing from NYSE&G or Power Authority.

Work Session will be July 25, 2018 at 4:30 PM.
