

2022 Medicare Open Enrollment Events

Medicare's Annual Open Enrollment is
October 15th - December 7th.

This is the time where Medicare recipients can review or change their coverage for the following year. This year, our office will be holding enrollment events throughout the County. Individuals can meet with certified insurance counselors who can assist them. These visits will be **by appointment only**. Please call our office at **518-873-3695** to sign up. As always, walk ins are accepted at our office but due to limited space, appointments are appreciated.
