Job Opening

Youth Commission Leader

The Town Of Wilmington is seeking applicants to lead a part-time, 2 day a week Summer Youth Group. The group is tentatively scheduled to meet beginning the week of July 10th and end August 18th. Successful candidates will assist in implementing a summer program, open to Wilmington youth between the ages of 5 and 17. Candidates will work directly with the Town of Wilmington and the Wilmington Youth Committee to plan , coordinate and oversee a structured, educational, healthy, and safe program. The successful candidate will oversee activities such as arts and crafts, leisure hikes, sports, and educational trips. Applicants must be at least 18 years of age, pass a background check, be physically fit to lead outdoor activities, and possess a valid driver's license. Preferred applicants should be willing to become First Aid and CPR certified if they aren't already. **If interested, please contact the Town of Wilmington by calling 518-946-7174 for an application. Applications will be accepted until June 5th.**

SUPERVISORS REPORT FOR WEEK ENDING 5/12/2023

Hello Everyone. I am excited to share with you some news of a few upgrades in our town park. First, new safety rubber has been added to the base of all playground equipment in the park. The material used is common in recreation areas and is much safer than traditional sand. The base was also recommended by our insurance carrier.

The second improvement is some new picnic tables. The tables are steel and coated with a rubber enamel. Plans are being made to purchase fiberglass or resin umbrellas that can be added to the tables to provide a little shade to those using the new feature. Currently we are also looking at purchasing a few more pieces of playground equipment out of the Community Enhancement funds that come from Wilmington's share of the visitor occupancy tax.

Several residents have been inquiring about their property tax assessments. Please note that only those that have had changes in their assessments will receive a letter from the Assessors. If you want to double check, one can either call or stop by to see the town clerk. The Clerk's office has both the current assessment book and the 2024 proposed assessment book at her office.

A big "Thank You" is extended to the Essex County Arts Council for their contribution to our 2023 summer concert series at the beach. For years the Arts Council has supported our weekly concert series. All concerts are 100 percent funded by Local Businesses, Individuals and organizations in our area.

Our newest vehicle "speed" device has arrived. Unlike our portable Radar speed trailer, this new solar powered radar will be permanently placed on a road in our community.

The Town of Wilmington has partnered with the Essex County Housing Assistance Program in applying for a grant that would allow us to build 6 long term rental units on the future land of the Homestead Housing. This would be in addition to some of the permanent homes we hope to have on this site. Stay tuned for more information.

Essex County Board of Elections is looking to hire some more election inspectors to serve in various communities throughout Essex County. On a normal election day, the hours are 5:30 am to 9:30 pm and the pay is \$18.75 an hour. For more information, please call 518-873-3478

Our latest update on Short Term Rental Permits is as follows, 102 permits issued. A total of \$45,950. Collected. Ongoing inspections of the units are currently being performed by our codes enforcement officer.

Just a reminder, my office door is always open to Wilmington residents. Should you have any questions or concerns about our community, always feel free to contact me.

That's all for this week my friends. See you around town. – Roy Holzer
